The Top 9 Spring 2016 Nail Trends to Try Right Now

The seasons are changing; the weather is warming; you're sick of the same black manicure: Whatever your reason, break the monotony with one of these spring nail-polish trends.

BY KRISTIE DASH @KRISTIEDASH

MARCH 16, 2016

Royal Blue

This shade is a subtle step brighter than the brooding jewel tones that ruled your winter nail wardrobe. We also noticed (and liked) that it's ultravibrant during the day but rather sumptuous at night. It's like nail magic. Shown here: the look at Jenny Packham's spring 2016 show.

Guishem nail polish in Cobalt Blue Crème, \$14 (guishem.com).
