ONE TOUGH COOKIE JOELLE CARTER

By Karen Happel

Anyone who's been sucked in by FX's 'Justified,' the seductive hit about a US Marshall, will immediately recognize Joelle Carter as the mother-turned-outlaw on the show, Ava Crowder. She has breathed so much life into a character, a woman who would do anything to protect her family, that we can't help falling in love with her. But some might also remember Joelle from the opening scene of the raunchy teen comedy 'American Pie 2.' She's proven that, going from comedy (and a successful career as a model) to drama, she can handle anything that the entertainment industry throws at her.
