Ciara wearing GUISHEN inside of Giant Magazine, July Issue "Fast & Furious" US

July, 2009

fast & furious

CIARA changes lanes with her latest album, *Fantasy Ride*. Sexy, stylish and serving high-octane video imagery, the singer revs her engine and is ready to accelerate. Gentlemen, fasten your seat belts.

More than five years since her debut—and with two platinum albums to show for it—23-year-old Ciara is back and looking to rebrand herself as a bigger and brighter pop star with her third album, *Fantasy Ride*. With a new electro sound, a sexier strut and a gang of successful
